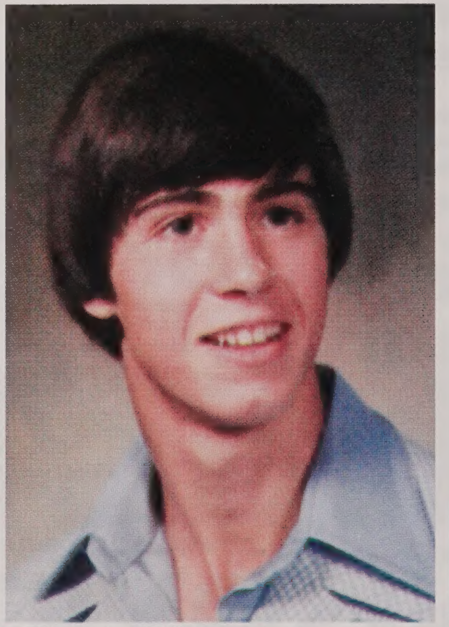
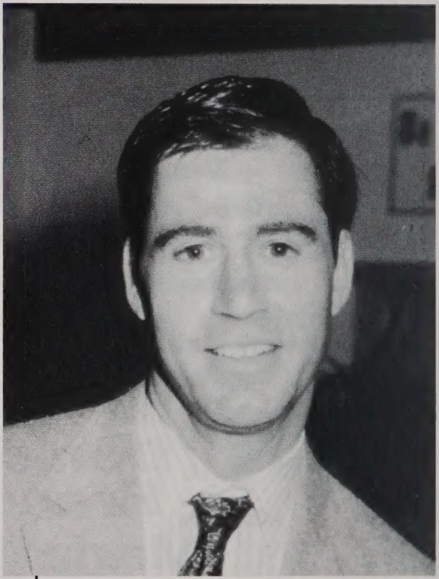
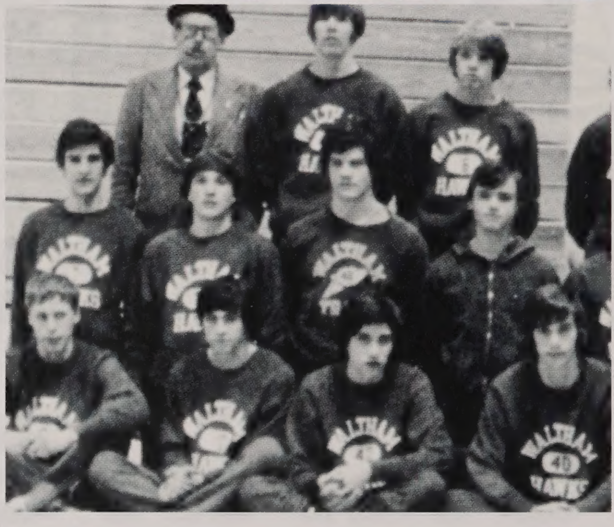
This image represents the students of the Class of 2011. The names that were most popular in our class are the largest. Along with this picture representing our class, the story at the bottom of each page is a cumulative story of events, memories and embarrassing moments that have happened to many of us during our four years here at Waltham High. The story is full of words with double L's presented as elevens to represent the year we ended one chapter of our lives, 2011. The editors truly hope you enjoy this book.

It was 2007, the first day of freshman year, and I fe**11** in front of a**11** the senior footba**11** boys. My new

Mr. DeMeo *dedicated educator*







Although anyone can spend time and money learning how to educate, it takes a special person to influence the lives of others; it takes a natural leader. And Gregory DeMeo fits this description perfectly.

Described by his colleagues and fellow Waltham High School employees as caring, calm, understanding, enthusiastic, and determined, Mr. DeMeo puts his employees and students at ease, because they know he cares for them. Mr. Smith, a former student, current employee, and friend, says, "knowing he always has the community's best interest in mind makes it easier to trust the administration is in good hands, so that I can focus on my job."

A Waltham native, Gregory DeMeo has been through it all with our town. Gregory DeMeo graduated from Waltham High School in 1978. As a student athlete, Mr. DeMeo ran cross country and track and maintained his academic standing, graduating with scholarships. He went on to college in hopes of pursuing a career in engineering, but as fate took its course, he ended up here with us, and gladly so.

After college, Gregory DeMeo was hired in the Walpole Public School System, but he returned to his hometown in 1996 as a Housemaster at Waltham High School. In 2003 he became the director of the Career and Technical Department. During his six years in this position, he not only upgraded CTE's technology, but he also grew " The Voc," ultimately ensuring that the students were provided with the resources necessary to succeed. In 2009, Gregory DeMeo was hired as the new Principal of Waltham High school for the upcoming 2010-2011 scholastic year.

Although his years of experience in the field have prepared him for his position today, we must also credit his dedication, intellect, and open-mindedness. His ability to bring out the best in people makes him not only a perfect principal but also a role model for all.

In a way, this bittersweet time is a beginning and an end. As we, the class of 2011, prepare to leave and move forward, Principal Gregory DeMeo enters as principal and role model to hopefully shape the lives of many graduates to come. Nonetheless, we, collectively as a class, are glad we were present for the beginning of a long successful career.

Recognitions

Mrs. Neville

Our housemaster Rosemary Neville has guided us through High school and has done an amazing job! Without her, many of us would not have made it this far. People don't always see what goes on "behind the scenes" in a school. Some think that things just happen, but things don't just come together at the snap of Mrs. Neville's fingers; there is planning involved. It's also clear that she does not like when the bell rings at 7:30 and people come strolling in minutes after with their Dunkin Donuts coffees. Mrs. Neville has worked so hard these past years to get us to where we all are today. When we entered Waltham High in September of 2007 most of us were shy, quiet, and immature and thinking about going to see the House Master was the last thing we all wanted to do. Whenever we got called down to Ms. Neville's office our freshman year, right away our hearts started to beat faster, and our minds raced trying to figure out what we did wrong, or better yet what she caught us doing. But in the past 4 years we have learned to not be afraid, we learned that she was there to help us, we learned that she only wanted what was best for each of us, and lastly we learned that from this time on she is no longer just our House Master, she is a friend. We thank you Mrs. Neville for everything you did for us in these past four years! We will all miss you so much next year.

Ms. Feeley

It has been a pleasure to have Ms. Feeley as our class Adjustment Counselor throughout our four years here at Waltham High School. Ms. Feeley makes it a point to know every student in the class of 2011 by name and is unbelievably cheery all the time. She is always there when you need her and her office is likely the most comfortable room in the whole High school. She is the most selfless person and people admire her for that. The Class of 2011 would like to thank Ms. Feeley for all her time, love and support throughout our high school career. We are so happy that we got to spend our four years with you and we are sad to say goodbye.

Ms. Bourque,

You were our lovely secretary for three years. You were there for the years when we thought we knew everything, but secretly needed you to tell us when we didn't. Everyone always said that if they needed a pass you were the one to go to, but we think everyone really just wanted to see you. You were so kind to everyone and we all felt a little more at ease when we had to go to the house office because we knew you would be sitting there ready to greet us. We were so happy for you when you were given the opportunity to teach digital photography because it meant every student had the chance to get to work with you rather than just our class. Now the hallway outside the house office is decorated with the great photographs taken by your students. The class of 2011 would like to thank you for all the work you have done for us over the years.

Ms. Quinn,

You only just started this year, but your time with our class will never be forgotten. Remember back to Senior Revue, to the Wizard of Oz number. Ms. Feeley and Ms. Bourque were going to be the fairies and Ms. Neville would be Glinda the good witch, but you, you wanted to be the wicked witch of the west. We all gave Deb the strangest look when she said you wanted to play that part and we thought, "Ms Quinn? She is too nice to be the Witch!" But your performance was unforgettable and aside from Ms Neville flying in, it really made the number. For the past year we came in and out of the house office buying tickets, signing in late, or getting dismissed, but we were always greeted by your kind welcome. Thank you Ms Quinn for a great year, and we wish you luck over the next four years with your new class.

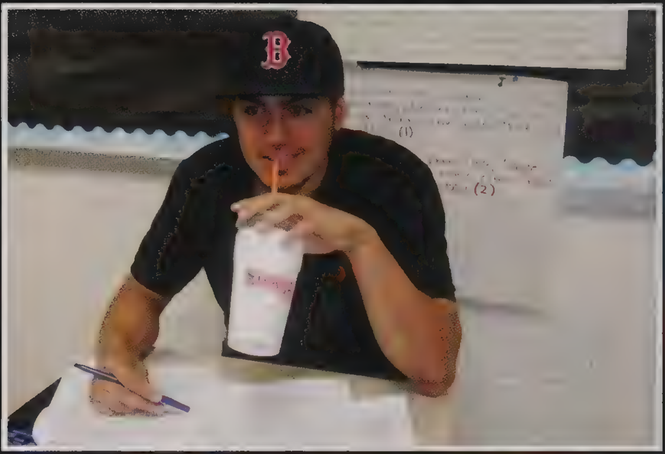
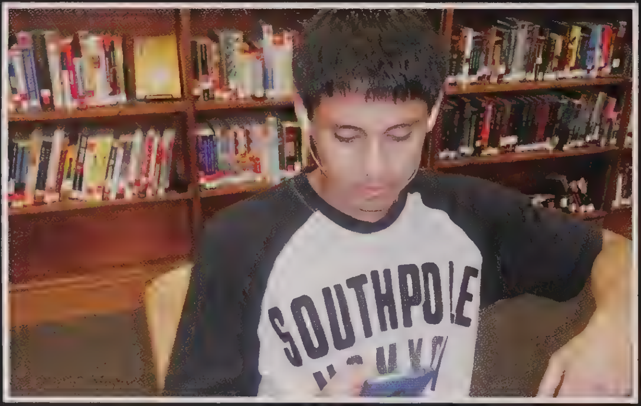
Senior Polls

Seniors perfer ice coffee to hot coffee, but we all prefer to get our coffee from Dunkin Donuts!





Seniors love the sound of rap and hip hop in their ears rather than the sounds of country and rock. And the seniors think the best place to listen to this music is Jamn 94.5!

The favorited sport to watch and cheer on this year was hockey, followed by football, soccer and then basketball. All of the sports at WHS always had a great crowd.

annual pep ra11y. Everyone fi11ed the bleachers as the seniors ca11ed people down to play games with

56 Percent of the seniors this year perfer iphones over the 42 % who like Blackberrys. iPhones are the new gadget to have.

Double chocolate cookies won the battle of favorite cookies out of the sugar, chocolate chip and M&M cookies.

Football won over the senior crowd for being Waltham High School's favorite sport to play! Go Hawks!

Despite a slow start to the season, the football team came through to have a strong finish. The football team drew huge crowds to all the home games as usual. The cheering from the crowd gave the team enthusiasm to win games and helped revive our school spirit. Senior captains Brad Keirstead, Marjan Soloman and Peter Jean Paul hepled lead the team to their well-deserved victories. However, all teammates showed their dedication and helped the team greatly. With hard work and determination the team showed off their efforts to win at Homecoming and to gain a win against one of the DCL powerhouses Westford Academy. Under the coaching of Paul Mayberry, the football team had an enjoyable season that led to some amazing victories.

Coming into the 2010 season with more than half of the girls new to the team created a challenge in the beginning. However, we continued to work to improve our skills in order to reach our goals. Led by captains Kelsey Aiello, Kristen Kohler, Nicole Fitzpatrick and Coach Shayne Simahk, the team soon became unified as one. Being in a new division and competing against many talented teams did not frighten this optimistic group of girls. They competed in a number of invitationals in order to prepare themselves for the DCL League competition where they competed against many tough teams and placed second overall, qualifying them for regionals. Their performance at the regional competition qualified them to compete at the Massachusetts State Cheerleading Championship.

"This year was one of the best golf seasons that I have ever been a part of" say Coach Sorin. With returning seniors Chris Rollins, Mike Hanley, and Brando Stanowicz, juniors Chris Maguire, Nick Bella, and Jack Leclair, and sophomore Garret Stanowicz and Steven Hanley, the season was a success. According t Sorin, captain Chris Rollins has been the number one golfer since his freshma year, which hasn't happened in the past 25 years. This was also a unique seaso because there were two sets of brothers playing consistently on varsity togethe Mike and Steven Hanley, and Brandon and Garrett Stanowicz. Although th Waltham Hawks golf team has been "severely underestimated" due to their lac of professional lessons and availability of private courses like other cities have the team managed to make it all the way to the North Sectionals tournamen The most exciting match of the season was their last match against Newto South. Both teams had six wins and six loses as their record, and this was th match that decided which team moved on to Sectionals, and which went home Waltham took the win, giving them a great end to a fantastic season.

Girls Indoor Track

Although the girls indoor track team was small this this year, we were definitely strong and had many good performances. Our team attributes our strong performances to head coach Francois Joseph and assistant coach Kathryn McCowan. Even though our team was fortunate enough to have a track to run on at Kennedy Middle School, all meets were held at the Reggie Lewis Center in Roxbury or at Boston University. Being in such a hard league, we only won one meet against Boston Latin, but in each meet everyone scored high and earned personal records. On our bi-weeks we hosted meets at Kennedy against Arlington, Weston, and hosted a seven team junior varsity meet. At states, the seniors performed very well, and many of the seniors broke school records that had been held for many years. The 4x400 relay consisting of seniors Kara Walsh, Katherine Sexton, Erika Shay and Ivy Watts will always be remembered as the "dream team" as they shattered their previous school record by 14 seconds. The seniors and captains will miss this team very much and wish them luck in the rest of their track careers.

Girls Hockey

This year the girls hockey team was unique compared to previous years, mainly because this team had only one senior, the Captain, Victoria DiBlasi. The team as a whole was very young, composed of primarily underclassmen. The lack of upperclassmen made winning require more hard work and stability for the girls. Although there wasn't as many wins as the girls had worked for, the team has always shared a bond that is untouchable compared to the other sports teams. This year being in the Dual County League has without a doubt worked against the team, but the Lady Hawks kept their heads high, pushed through and worked as a team to accomplish the many goals they had set out for themselves. All in all, the team had many laughs and good times that they will never forget.

This year has been a good season for the Hawks Wrestling team. Coach Jef Cincotta said "It was a great year for us. The best year in a while. We worked har behind strong senior leadership and it reflected on the mat". With their record o 6-4 in the DCL and 14-7 overall the Hawks hoped they could get to sectionals an take the win. Captain Jim Dooley had been out for a few meets with an injure back, but promised to make a comeback for sectionals and states. Jim along wit other captains Bobby Dipronio and Devin Macphearson tried to keep the tea motivated while still having a good time and making the season enjoyable fo everyone.

The boys varsity baseball team had moments of glory, frustration, and excitement all throughout their 2011 spring season. Although low in returning seniors and starters, the team defied their adversity by proving they could outbest some of the league's powerhouses, including a phenomenal win over Acton-Boxborough. Led by well-experienced senior veterans Eric Giorgianni, Collin Whittier, Brandon Stanowicz, Derek Parrella, Alex Torres, Mike Hanley, and Jon Chapman, the underclassmen were successful in sharpening their skills and growing stronger individually, which enabled them to contribute to the team. This team will be forever remembered for their hard work and perseverance through times of struggle, and for never giving in when demotivated.

Boys Lacrosse

The boys lacrosse team had a rough start, with three losses to kick off their season, but they quickly pulled it together to beat some of the best teams in the Dual County League. They were short of making the tournament but they still worked very hard throughout the season to prove that they were a strong team. With many returning seniors on the team, they were able to help the younger kids and brought the Surbaban cup back to Waltham for the second year in a row. The team worked as hard as they could to get the record they did, and although there were only a few wins, those wins meant a lot to these boys. The seniors will miss this team and wish them all the luck in the future.

Despite starting off the season with two tough losses against the DCL powerhouses Lincoln-Sudbury and Acton-Boxborough, the Waltham High Girls Lacrosse team played each game with intensity and heart. Senior Captains Alex Cercone and Kelly Murphy encouraged the team to do their very best during practice as well as during games. The other seniors which included Leanne Whittemore, Taylor Lynn, Arianna Dejulio, Stephanie Oliveri, and Jackie McManus also helped the team be the very best they could be. Coach Kristina McLaughin was very happy with all the help the seniors have been and she will miss them terribly. Despite being in a tough league the Waltham High Girls Lacrosse team came so close to making the tournament this year. They were one win away from going to the tournament but their season came to a halt when Waltham lost their last home game against the Newton North Tigers. The girls outdoor track team had a great season this year. We worked hard at practices and meets and were able to finish our season with a record of 6 wins and only 3 losses. For the first time ever, the girls track team did something unthinkable. Ever since WHS joined the DCL, we had always lost to the larger and faster teams, but this year we were able to beat powerhouse Newton South. We came so close as a team, and once we heard the news that we had won, we were all crying and hugging from excitement. There were standout performances at states by seniors Kara Walsh, Ivy Watts, Meghan Brophy, Erika Shay, and Katherine Sexton as all 5 placed in the top 8. Kara Walsh, Ivy Watts and the 4x400 team (Shay, Sexton, Walsh and Watts) placed in the top 4 and automatically qualified for All States where Watts finished in 5th place to continue on to New Englands. Also, this year our track team decided to make T-shirts for the team, and this season we made shirts with the logo, "Party like a track star" Although we were defeated by many DCL teams, we were able to finally prove our spot in this league and show that we too can compete with the best of the best.

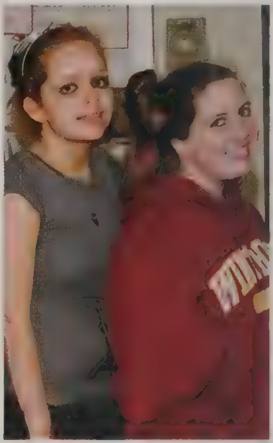
Child Care

Alysa Gladman

Alysa started the child care program her sophomore year. She began by taking classes in Child Development, Child Care I her junior year, and Child Care II her senior year which is 12 periods a week. These classes have taught her the gradual process in the development of a child beginning when they are only a fetus into their childhood years. In this program, they also get the opportunity to work with 3-5 year olds from the 123 Day School in Waltham in order to get hands-on experience. They learn safety precautions and do different activities that are useful in caring for children. After these past three years in this program, Alysa is going to continue this path as she will major in elementary education at Sacred Heart University.



Electronics

Chris Rollins

Chris took electronics during his senior year where he had the opportunity to build, test, and troubleshoot circuits and systems. He took this class 8 times a week and got to illustrate circuits and systems using simulation software. By being involved in this program Chris did not have to take a language or a history class. Chris says, "we do a lot of electronic stuff like logic probes, oscilloscopes, up and down counters, and storage registers." This program will help prepare him for industry certification. Although Chris enjoyed electronics, he does not plan to major in it at college.

Created by Mr. Cox and Mr. Goodwin, the program is designed to help many families in the Waltham community. A child was assigned to every A-Block class to collect money for. Sports, clubs, and other people within the community also took on children to support. With the money, representatives from each group bought presents for their assigned child, allowing them to have an enjoyable Christmas which they would not have had otherwise.

Spirit Week!

With the approach of the homecoming game, the school comes together for the yearly tradition of spirit week. It is a week full of excitement as the Waltham Hawks get pumped up for a new season. Each day had a different theme that allowed the students and faculty to show their school spirit in unison.

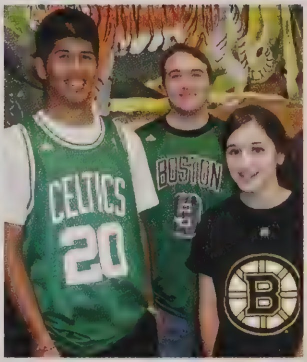
Tuesday

Tie-Dye Day

"Spirit week is a great tradition since it really gets the whole school involved. It's great to see the teachers and students dress up each day to show their support and pride."

-Kelly Murphy

Wednesday



Boston Sports Day

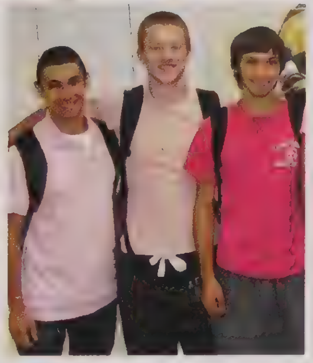
"I love dressing up different everyday and how everyone does it. It makes homecomin week much more fun!"

-Arianna Straggas

Although the school week was only four days this year, it did not stop our enthusiasm as the big game approached. We started off with Tie-Dye Tuesday, and then on Wednesday it was Boston Sports Day, following Pink Day on Thursday, and ending on Friday with Red and White Day. It was a successful week as the Hawks showed support for our high school sports teams.

Thursday

Pink Day



"I enjoyed how the majority of WHS participated in spirit week making it a big thing at our school."

-Sarah Fucci

Friday

Red and White Day

"I think Friday was the best day of spirit week because we can really come together as a school and represent our colors - red and white."

-Nicole Fitzpatrick

Lipdub!

This year the teleivisoin class decided to have the whole school be a part of a LipDub. It was a great sucess. They went from the basement with all the vocational students all the way to the gymnasium. Some students and staff auditioned for their own part but everyone else was just in the background dancing and singing. People had parts that they were lip singing the song and as the camera went throughout the school, the person lip singing constantly changed. It was a fun way to get the students and teachers invovled and show how much Hawk pride we really have.

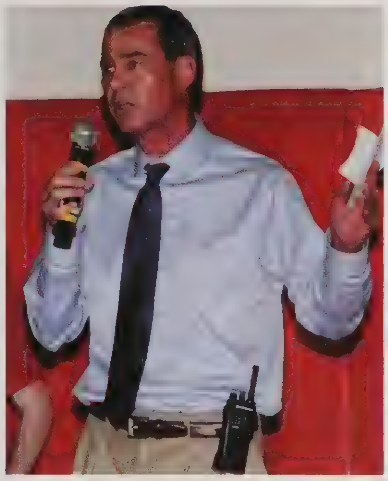
Pep Rally



This year's Pep Rally at Waltham High School was an eventful one! Student Council got both teachers and students involved in different, "minute to win it" games, including the tissue challenge, human toilet paper wrapping and the pizza box challenge. A highlight for many students was seeing Mrs. Neville dominate the tissue challenge. The sports teams were brought out to their own selected song and paraded around the gym. T.I.Y.A.D.I. performed a great routine, as always and the audience enjoyed it. A competitive tug of war tournament ended the events with Mr. McMahon wiping out as Mark Pratt, Matt Pratt, and AJ Duarte came out victorious.

Homecoming Game

This year the Waltham High School football team broke away from the annual tradition of facing long time rivals, The Brockton Boxers. WHS took on Wayland High School on October 16, 2010. The Hawks defeated the Warriors 19-7. At half time homecoming kings and queens were crowned for each grade and this fun, eventful day was followed by an exciting dance. The Homecoming game gave the Hawks a refreshing sense of hope and motivation that lasted throughout the rest of their season.

The Class of 2012 Junior Prom was held on April 8, 2011 at the Waltham Westin Hotel. Yaznil Baez, Junior Class President from 2010-2011 along with an enthusiastic prom commitee, brought the Juniors together for a "Video Music Awards" themed night to remember. Some Juniors were joined by upper and under classmen as dates, and the chaperones included beloved teachers and all the House Masters. The Juniors used this day as a kick off to the fun they plan to have and the activites they plan to do their Senior year.

Springfest

This year Waltham High School held its second annua Springfest! It took place in the WHS back parking lot. Many schoo clubs and organizations had tables and booths that provide food, drink, and entertainment to the citizens of Waltham. NHS Induction

WHS National Honor Society Induction was held on September 30, 2010. NHS honors those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character. The new NHS members were inducted in a candlelight ceremony which family and friends also attended. The officers each read a discription of the values of the National Honor Society; Character, Scholorship, Leadership and Service. Following the speeches, the inductees each pledged to uphold these values.

Senior Social

The Senior Social took place on December 19, 2010 at the Robert Treat Paine Estate. This was a fun time for seniors to get together and celebrate the holidays. There was a lot of dancing, delicious food, and great entertainment. It was nice to see everybody dressed up for a change. The seniors let loose on the dance floor and danced 'till they dropped. The seniors of 2011 entered Senior Revue struggling to balance school, sports, work, and many other extracurricular activities. Their hard work and dedication enabled them to come together as a class, despite their busy agendas. For many seniors, Senior Revue is their only "moment to shine" on the stage, and is greatly looked forward to by all, especially those familiar with the performing arts. "Senior Revue is the icing on the cake of four great years," said senior Katie McGuire. Director and choreographer Deborah Peros-Finnell uses this special event, whose theme this year was Movie Mania, to unite the graduating class annually. "Working with over 100 graduating seniors fills my heart and soul with love overflowing and total insanity," she said. This insanity has proved time and time again, especially with the class of 2011, to be worthwhile in the end.

Mr. Waltham

This year was the second annual Mr. Waltham competition. There were 19 contestants, all of whom showcased multiple talents, styles, and personalities. They competed in swimwear, casual wear, formal wear, and a talent of their choice. They also got a chance to showcase their dancing abilities by performing two choreograped dances to "I'm so excited" and "More". This event was a great fundraiser for the senior class. It was a very competitive competition, however, only one contestant would have the chance to be crowned Mr. Waltham. This year that contestant was Nguyen Tran! His great dance moves, revealing swimwear choice, unique casual wear, and romantic piano medley won over the crowd and the judges. "I'm putting Asia back on the map", is a quote from Nguyen Tran everyone will remember.

Senior Dinner

Senior Dinner was one of the most memorable nights for the Class of 2011. It was held in the Waltham High School Cafeteria on May 25, 2011. The senior class received awards and recognition for their outstanding academics, character, and quality. One of the senior's favorite parts of the night was watching the famous, "senior video". This night brought laughter and tears to the Class of 2011 and gave them a chance to celebrate their graduation with their family and classmates.

Awards Night

After applying for hundreds of scholarships, the Class of 2011 was honored by the Administration and School Committee at the annual Awards Night. Seniors found out what scholarships and awards they received while on stage. This night was followed by a reception outside of the auditorium.

The girls track 4x400 relay team consisting of seniors Erika Shay, Katherine Sextor Kara Walsh and Ivy Watts was able to accomplish more than any relay in the histor of Waltham High. This relay team knew that even after dropping the baton and sti breaking the previous school record, that they were going able to run times they neve imagined running. As the indoor season continued, the relay team ran a 6 second personal record at the State meet and went on to All States where they ran 4:02. The team also had the opportunity to go to Nationals in New York where they competed with the best of the best. In outdoor, the relay team was able to place third at States and give themselves an 8th place seed at All States and a 10th place finish. After smashing both indoor and outdoor records by at least 20 seconds, coach Francois Joseph is sad to say goodbye to his "dream team" relay of 4 seniors. Individually, Erika Shay holds the school record in the 400 hurdles, Katherine Sexton holds the 600 meter record, Ivy Watts has the school records in the 200, 300 and 400, and Kara Walsh holds the 1000 record and Walsh also earned the title of female athlete of the year.

This year, WHS Senior Michael Bonadio ran and finished the Boston Marathon on April 19, 2011. Bonadio finished the marathon in 5:48:54. His father, Michael Bonadio Sr., courageously ran alongside him throughout the whole 26.2 mile race. They crossed the finish line together with pride. Bonadio Jr. and Sr. ran in support of the Leukemia Lymphoma Society. WHS Senior Michael Bonadio is a two time survivor of Leukemia. Waltham High School is very proud of his accomplishments. There were many of Bonadio's fellow classmates and family members at the race that day to support and cheer him on as he crossed the finish line. "Life is a long journey worth every step" are very wise words spoken by Bonadio after crossing the finish line.

WHS Senior Sam Richman is a student that stands out among the crowd. Not only does he excel in academics, but he also involves himself with various school activities, community service efforts, and leadership opportunities. You can find Richman under the spotlight of the Robinson auditorium as the lead in the Spring Musical, "Charlie Brown". You can also find him working hard in his Advanced Placement classes, or voicing his opinions at Student Council and school committee meetings. Apart from all of these various community involvements, there is one more thing that sets Richman aside from the rest of the school body. At the young age of seventeen, Richman established his own business called, "Graphicality Design," which aims to provide logos, advertising, music artwork, and brand identities to professional companies. Richman and his company were the creators of the new Waltham High School Hawk logo, which was instituted this year. Richman, who has left his mark at Waltham High School, plans on continuing to succeed at the prestigious Harvard University.

Amanda Fournier, a senior at Waltham High School, has been taking part in a very unique sport outside of school. For the past seven years Fournier has competed as an equestrian on the Touch of Majic team. She competes in events such as, the two foot vertical fence jump and flat classes with her competition horse, "Sweetie". This year Fournier earned the opportunity to compete at the Regional level at the IEA competition in Westford, Massachusetts. At this competition Fournier placed tenth out of 27. In addition to being on an equestrian team, Fournier also takes part in various clubs and events at Waltham High School such as Best Buddies and Dance Theatre. She is a fabulous role model for students who are looking to try something new.

Senior Victoria DiBlasi clearly knows the meaning of sportsmanship an how to act on her team. Victoria has been starting for Waltham High School' Varsity Ice Hockey team since eighth grade. She has been a valuable part of her team and has supported her teammates in every way that she could. This year, Victoria was awarded with the Hobey Baker High School Character Award and was also fortunate enough to be recognized for her sportsmanship during half time of a Bruin's game on March 22, 2011 at the TD Garden. Victoria has truly been an influential part of Waltham High's hockey team and although she will not continue her ice hockey career in college, she will be attending Suffolk University to share their Ram pride.

Senior track All star Meghan Brophy earned the privilege to compete at th Indoor National Track Meet at the Armory Track in New York. Not man athletes get the opportunity to compete at this prestigious level. Brophy showcased her talent in the two mile event and placed fourth in the Emerging Elites division. Running among some of the Nation's best, Brophy was able to hold her own and put Waltham Sports on the map. She is a great role model for her fellow team mates. She now holds the Waltham High School record for the two mile indoors with a time of 11:11:21 and was able to capture the DCL title at the DCL championships. Next year she will be continuing her track athletic career at Merrimack College.

Sophomore Richie Scanlon had the privilege of being named captain of the ski team. This season, Richie finished third in the Dual County League and represented Waltham in the States, as he was the only skiier to make it that far. Richie was happy to have such a supportive coach to make the experience a fun one. In both events that he competed in at States he finished in the top 20, something many here at Waltham wish they could do. However, Richie wasn't pleased with his top 20 finish, he wanted to join his brother and sister and win a State title, just like they did. Richie hopes that he can accomplish what his siblings did before him before he graduates from Waltham High. Aside from skiing for his town, Richie also competes and practices with a club in New Hampshire. In the fall he plays football and in the spring he plays baseball, making himself an all around athlete. With a few years ahead of him, Waltham High can expect great things from Richie Scanlon.

Terry Murphy, a star athlete at Waltham High School, was honored for his sportsmanship at a Boston Bruin's game on March 22, 2011 at the TD Garden. Along with this honor, he was also given the opportunity to play in the Massachusetts State Hockey Coaches Association All-Star game at the DCU Center in Worcester. Murphy is not only a dedicated athlete, he is also a fantastic role model to fellow students at Waltham High School. His honor brought great inspiration to his team mates and friends. During his senior year he was voted captain of the WHS Boy's Hockey Team and a key defensemen and a great asset to his team members. Murphy was both a star on the ice, sporting number 13, and a star on the lacrosse field sporting number 17.

We would like to give a special thanks to our advisor, Ms. McHugh for all her help. We will miss you!

"Tell me what do you see.
When you looking at me.
On a mission to be.
What I'm destined to be.
I've done been through the pain and the sorrow.
The struggle is nothing but love.
I'm a soldier, a rider, a survivor and all the above
All the above..."
-Miano

Dearest Michael-we are just so proud of you!
And so excited to see what your future holds.
Enjoy the journey
So much love!
Mom, Dad & Brendan

Ivy, you have always done it your way, which has turned out to be the right way, (most of the time :))You have made us so proud with track and academics. Congratulations for crossing the High School finish line.

Love, Dad, Mom, Dion and Jack

Morgan,
We are so proud of you. Enjoy every moment! We love you Mo!
Love,
Dad, Mom, Matt and Meghan

Congratulations Nick!
We are so proud of you!!
Love, Mom, Dad & Stephanie

Katie,
Thanks for the memories-the shows, the dancing and the friendships. I can't wait to see what happens on the next big stage. Go out and shine like always.
Love you,
Mom
